PROJECTS

Dec 2023 — Jan 2024

Hornadu Temple Website

- Created a visually stunning website that elevates the online presence of Hornadu Temple.
- Implemented user-friendly navigation and intuitive design elements to improve user experience.
- Fostered greater engagement with the temple's audience through captivating visuals and seamless browsing experience.
- Contributed to the temple's mission by effectively representing its values and offerings online.
- Showcased proficiency in front-end development and design principles to deliver a high-quality website.

Portfolio

- Highlighted technical skills and expertise in front-end development, design, and project management through the portfolio.
- Provided visual representations of each project's design, functionality, and impact, allowing potential employers to assess the quality of work.
- Made the portfolio easily accessible online, enabling recruiters to review the projects at their convenience.
- Ensured a professional presentation of the portfolio, reflecting attention to detail and commitment to quality in all endeavors.
